In compliance with the Directive 89/106/EEC of the Council of European Communities of 21st December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to the construction products (Construction Products Directive - CPD), amended by the Directive 93/68/EEC of the Council of European Communities of 22nd July 1993, it has been stated that the construction products

products and systems for the protection and repair of concrete structures

**(surface protection systems for concrete, products and systems
for the protection and repair of concrete structures)**

placed on the market by

TKK Srpenica d.d.,

Srpenica 1, 5224 Srpenica, Slovenia

and produced in the production plant

TKK Srpenica d.d.,

Srpenica 1, 5224 Srpenica, Slovenia

are submitted by the manufacturer to the initial type-testing of the product and the factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan and that the notified body, the Slovenian National Building and Civil Engineering Institute (ZAG Ljubljana), has performed the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

This certificate attests that all provisions concerning the attestation of factory production control described in Annex ZA of the standards

EN 1504-2:2004 and EN 1504-3:2006

were applied.

This certificate was first issued on 11.05.2009 and remains valid as long as the conditions laid down in the harmonised standards in reference or the manufacturing conditions in the plant or the FPC itself are not modified significantly.
